RE: Chris Hipwell-Subdivision Lot #1

Water is available for the one lot subdivision located at approximately 3900 West 3900 North in Weber County.

A 3/4" connection for domestic use only can be installed. The fee at this time for a 3/4" connection and a 5/8" x 3/4" meter is 1992.00. There is a \$1,000.00 annexation fee required per acre or per dwelling.

You will need to bring proof of secondary water for outside use. The secondary water must be available and retained for the property sought to be served. The all fee's need to be paid and application be made for service before culinary water will be made available.

The owner or contractor will need to furnish all materials and labor to run the service line with the exception of the following. The District will furnish the corp stop, makes the tap on the main and set the water meter. All materials and workmanship must be in accordance with the Water District's specifications which are made available in our office. Any permits for excavation must be taken out from the appropriate City.

Sincerely,

Bona Vista Water District
Jerry Allen/General Manager
