4.2.5. **Fees.** Changes to the amounts of fees (but not changes to the times provided in the County’s Vested Laws for the imposition or collection of such fees) for the processing of Development Applications that are generally applicable to all development within the County (or a portion

of the County as specified in the lawfully adopted fee schedule) and which are adopted pursuant to State law;

4.2.6. **Compelling, Countervailing Interest.** Laws, rules or regulations that the County's land use authority finds, on the record, are necessary to avoid jeopardizing a compelling, countervailing public interest pursuant to Utah Code Ann. § 17-27a-508(1)(a)(ii) (2024).

4.3. **Reserved Legislative Powers.** The Parties acknowledge that under the laws of the State of Utah (including Utah Code Ann. § 17-27a-528 (2023)) and the United States, the County's authority to limit its police power by contract has certain restrictions. As such, the limitations, reservations, and exceptions set forth herein are intended to reserve for the County those police powers that cannot be so limited. Notwithstanding the retained power of the County to enact such legislation under the County's police powers, such legislation shall only be applied to modify the vested rights of the Master Developer under the terms of this ARMDA based upon the policies, facts, and circumstances meeting the compelling, countervailing public interest exception to the vested rights doctrine in the State of Utah. Any such proposed legislative changes affecting the vested rights of the Master Developer under this ARMDA shall be of general application to all development activity in the County and, unless the County declares an emergency, Master Developer shall be entitled to prior written notice and an opportunity to be heard with respect to any proposed change and its applicability to the Project under the compelling, countervailing public interest exception to the vested rights doctrine.

5. **Term of Agreement.** The initial term of this ARMDA shall be until December 31, 2034. If as of that date, Master Developer is in compliance of this ARMDA and has not been declared to be in default as provided in Section 13, or if a default has been declared but has been cured or is in the process of being cured as provided therein, then this ARMDA shall be automatically extended until December 31, 2039, and, thereafter, for two (2) additional period of five (5) years provided the forgoing condition is true. This ARMDA shall also terminate automatically at Buildout.

6. **Application Under County's Future Laws.** Without waiving any rights granted by this ARMDA, Master Developer may at any time, and from time-to-time, choose to submit a Development Application for some or all of the Project under the County's Future Laws in effect at the time of the Development Application so long as Master Developer is not in current breach of this Agreement. Any Development Application filed for consideration under the County's Future Laws shall be governed by all portions of the County's Future Laws related to the Development Application. The election by Master Developer at any time to submit a Development Application under the County's Future Laws shall not be construed to prevent Master Developer from applying for other Development Applications on the County's Vested Laws. Subdevelopers may not submit a Development Application under the County's Future Laws without the consent of the Master Developer.

7. **Public Infrastructure.**

7.1. **Construction by Master Developer.** Master Developer shall have the right and the obligation to construct or cause to be constructed and installed, all Public Infrastructure reasonably and lawfully required as a condition of approval of the Development Application.

7.1.1. **Security for Public Infrastructure.** If, and to the extent required by the County's Vested Laws, unless otherwise provided by CLUDMA, security for any Public Infrastructure is required by the County it shall be provided in a form acceptable to the County (which may include security based on real property) as specified in the County's Vested Laws. Partial releases

of any such required security shall be made as work progresses based on CLUDMA and the County Vested Laws.

7.1.2. **Bonding for Landscaping.** Security for the completion of those items of landscaping that are weather or water dependent shall be provided as required by the County's Vested Laws in conformance with CLUDMA.

7.2. **Dedication of Public Improvements.** All of the infrastructure and improvements dedicated to the County pursuant hereto shall be constructed to the County's standard specifications unless otherwise agreed in this ARMDA or otherwise and shall be subject to County requirements for the payment of property taxes, inspections, and approval before acceptance by the County. The County shall accept such dedication after payment of all taxes and fees and inspection and correction of any deficiency or failure to meet County standards.

8. **Upsizing/Reimbursements to Master Developer.**

8.1. **"Upsizing".** The County shall not require Master Developer to "upsized" any future Public Infrastructure (i.e., to construct the infrastructure to a size larger than required to service the Project) unless financial arrangements that are mutually acceptable to Master Developer and County are made to compensate Master Developer for the incremental or additive costs of such upsizing. For example, if an upsized to a water pipe size increases Master Developer's costs by 10% but adds 50% more capacity, the County shall only be responsible to compensate Master Developer for the 10% cost increase. Acceptable financial arrangements for upsizing of improvements include reimbursement agreements, payback agreements, pioneering agreements, and impact fee credits and reimbursements.

8.2. **Dispute Resolution.** Any dispute regarding this section shall be resolved pursuant to the Dispute Resolution Processes.

9. **Parks, Trails, and Open Space.**

9.1. **PTOS Plan.** All aspects of the parks, trails and open space for the Project shall be as specified in the PTOS Plan, Exhibit "C" and as follows. The percentage of RDUs proposed from the Maximum RDUs in any Development Application shall be the same percentage or no more than 15% less than the percentage of Open Space acreage from the overall proposed Open Space acreage, and the percentage of linear feet of trail from the overall proposed linear feet of trail, as provided in the PTOS Plan. For the Open Space acreage, the nearest Open Space acreage reasonably available shall be provided. For the trails, linear feet shall be added to the 10-foot wide paved trail when a proposed RDU or lot is located within 660 feet of the planned location of the 10-foot wide paved trail; otherwise linear feet shall be added to any trail as determined by Developer.

9.2. **On-Site Processing.** Subject to the objective standards in the Design Guidelines, Master Developer shall have the right as a permitted use to use the natural materials located on the Property such as sand, gravel, and rock, and may process such natural materials into construction materials such as aggregate, topsoil or concrete for use in the construction of infrastructure, homes or other buildings or improvements located in the Project and for use on other locations outside the Project owned or controlled by parties related to Master Developer within a three (3) mile radius of the Project. Master Developer shall obtain a land disturbance permit from the County prior to extracting or processing the natural materials on the Property. If the proposed excavation for the use of the natural materials as contemplated in this section is consistent with standards specified in the Design Guidelines, then it shall be approved by the Administrator irrespective of whether the proposed grading is in conjunction with a Subdivision or just the grading by itself. The County shall issue a land disturbance permit if the standards of this section are

satisfied. Any dispute regarding this section shall be resolved pursuant to the Dispute Resolution Processes.

9.3. **Mass Grading.** Subject to the objective standards in the Design Guidelines, Master Developer shall also have the right as a permitted use to mass grade the site of the Project and grade the roads within the Project without obtaining any permits from the County. The mass grading and road grading shall be in the approximate locations of the development and road areas of the Project as generally illustrated on the Master Plan, Exhibit "B".

10. **Default.**

10.1. **Notice.** If Master Developer or a Subdeveloper or the County fails to perform their respective obligations hereunder or to comply with the terms hereof, the party believing that a Default has occurred shall provide Notice to the other party. If the County believes that the Default has been committed by a Subdeveloper then the County shall also provide a courtesy copy of the Notice to Master Developer.

10.2. **Contents of the Notice of Default.** The Notice of Default shall:

- 10.2.1. **Specific Claim.** Specify the claimed event of Default;
- 10.2.2. **Applicable Provisions.** Identify with particularity the provisions of any applicable law, rule, regulation, or provision of this ARMDA that is claimed to be in Default;
- 10.2.3. **Materiality.** Identify why the Default is claimed to be material; and
- 10.2.4. **Optional Cure.** If the County chooses, in its discretion, it may propose a method and time for curing the Default which shall be of no less than thirty (30) days duration.
- 10.2.5. **Dispute Resolution.** Upon the issuance of a Notice of Default or, if the optional curing period is provided, upon failure to timely cure a claimed Default, the Parties shall engage in the Dispute Resolution Processes.

10.3. **Remedies.** If the Parties are not able to resolve the Default by the Dispute Resolution Processes, then the Parties may have the following remedies:

- 10.3.1. **Law and Equity.** All rights and remedies available in law and equity including, but not limited to, injunctive relief and/or specific performance.
- 10.3.2. **Security.** The right to draw on any security posted or provided in connection with the Project and relating to remedying of the particular Default.
- 10.3.3. **Future Approvals.** The right to withhold all further applications, reviews, approvals, licenses, building permits and/or other permits for development of the Project. in the case of a default by Master Developer, or in the case of a default by a Subdeveloper, development of those Parcels owned by the Subdeveloper until the Default has been cured. No approvals, licenses, building permits, or other permits may be withheld from any Subdeveloper for a Default of Master Developer.

10.4. **Public Meeting.** Before any remedy in Section 13.3 may be imposed by the County, the party allegedly in Default shall be afforded the right to attend a public meeting before the County Commission and address the claimed Default.

10.5. **Emergency Defaults.** Anything in this ARMDA notwithstanding, if the County Commission finds on the record that a default materially impairs a compelling, countervailing interest of the County and that any delays in imposing such a default would also impair a compelling, countervailing interest of the County, then the County may impose the remedies of Section 13.3 without the requirements of Sections 13.4. The County shall give Notice to the Developer and/or any applicable Subdeveloper of any public meeting at which an emergency default is to be considered and the Developer and/or any applicable Subdeveloper shall be allowed to address the County Commission at that meeting regarding the claimed emergency Default.

10.6. **Extended Cure Period.** If any Default cannot be reasonably cured within thirty (30) days, then such cure period shall be extended so long as the defaulting Party is pursuing a cure with reasonable diligence. The burden of proof of reasonable diligence shall be on the defaulting Party.

10.7. **Default of Assignee.** A default of any obligations assumed by an assignee shall not be deemed a default of Master Developer.

11. **Dispute Resolution.** Unless otherwise provided in the ARMDA, any Dispute shall be resolved as follows.

11.1. **Meet and Confer regarding Development Application Denials.** The County and Applicant shall meet within fifteen (15) business days of any Dispute to resolve the issues specified in the Dispute.

11.2. **Mediation of Disputes.**

11.2.1. **Issues Subject to Mediation.** Disputes that are not subject to arbitration provided in Section 14.3 shall be mediated.

11.2.2. **Mediation Process.** If the County and Applicant are unable to resolve a Dispute that is subject to mediation, the parties shall attempt within ten (10) business days to appoint a mutually acceptable mediator with knowledge of the legal or factual issue of the Dispute. If the Parties are unable to agree on a single acceptable mediator, they shall each within ten (10) business days, appoint their own representative. These two representatives shall, between them, choose the single mediator. Applicant shall pay the fees of the chosen mediator. The chosen mediator shall within fifteen (15) business days, review the positions of the parties regarding the Dispute and promptly attempt to mediate the Dispute between the parties. If the parties are unable to reach agreement, the mediator shall notify the parties in writing of the resolution that the mediator deems appropriate. The mediator's opinion shall not be binding on the parties.

11.3. **Arbitration of Disputes.**

11.3.1. **Issues Subject to Arbitration.** Issues regarding a Dispute that are subject

to resolution by scientific or technical experts such as traffic impacts, water quality impacts, pollution impacts, etc. are subject to arbitration.

11.3.2. **Mediation Required Before Arbitration.** Prior to any arbitration the parties shall first attempt mediation as specified in Section 14.2.

11.3.3. **Arbitration Process.** If the County and Applicant are unable to resolve an issue through mediation, the parties shall attempt within ten (10) business days to appoint a mutually acceptable expert in the professional discipline(s) of the Dispute. If the parties are unable to agree on a single acceptable arbitrator, they shall each, within ten (10) business days, appoint their own individual appropriate expert. These two experts shall, between them, choose the single arbitrator. Applicant shall pay the fees of the chosen arbitrator. The chosen arbitrator shall within fifteen (15) business days, review the positions of the parties regarding the arbitration issue and render a decision. The arbitrator shall ask the prevailing party to draft a proposed order for consideration and objection by the other side. Upon adoption by the arbitrator, and consideration of such objections, the arbitrator's decision shall be final and binding upon both parties. If the arbitrator determines as a part of the decision that the County's position was not only incorrect but was also maintained unreasonably and not in good faith, then the arbitrator may order the County to pay the arbitrator's fees.

11.4. **District Court.** If the Dispute is not subject to arbitration then, after exhausting the Meet and Confer and Mediation processes above the Parties may seek relief in the Second District Court.

13.3. **Administrator's Review of Administrative Modification.** The Administrator shall consider and decide upon the Administrative Modification within a reasonable time not to exceed forty-five (45) days from the date of submission of a complete application for an Administrative Modification. If the Administrator approves the Administrative Modification, the Administrator shall record notice of such approval against the applicable portion of the Property in the official County records.

- 13.3.1. **Referral as Amendment.** The Administrator may determine that any proposed Administrative Modification should be processed as an Amendment pursuant to Section 17.

13.4. **Appeal of Administrator's Denial of Administrative Modification.** If the Administrator denies any proposed Administrative Modification, the Applicant may process the proposed Administrative Modification as a Modification Application.

14. **Amendment.** Except for Administrative Modifications, any future amendments to this

14.1. **Who May Submit Modification Applications.** Only the County and Master Developer with the consent of the Master Developer or an assignee that succeeds to all of the rights and obligations of the Master Developer under this ARMDA (and not including a Subdeveloper) may submit a Modification Application.

- 14.5.1. **Review.** All aspects of a Modification Application required by law to be reviewed by the Planning Commission shall be considered by the Planning Commission as soon as reasonably possible in accordance with the County's Vested Laws in light of the nature and/or complexity of the Modification Application and based on the ongoing workload of the applicable reviewers.
- 14.5.2. **Recommendation.** The Planning Commission's vote on the Modification Application shall be only a recommendation and shall not have any binding or evidentiary effect on the consideration of the Modification Application by the Commission.

14.6. **Commission Review of Modification Application.** After the Planning Commission, if required by law, has made or been deemed to have made its recommendation for the Modification Application, the Commission shall consider the Modification Application.

14.7. **Commission's Objections to Modification Applications.** If the Commission objects to the Modification Application, the Commission shall provide a written determination advising the Applicant of the reasons for denial, including specifying the reasons the County believes that the Modification Application is not consistent with the intent of this ARMDA and/or the County's Vested Laws

(or, only to the extent permissible under this ARMDA, the County's Future Laws).

14.8. **Disputes.** Any dispute regarding this section shall be resolved pursuant to the Dispute Resolution Processes.

15. **Estoppel Certificate.** Upon twenty (20) days prior written request by Master Developer or a Subdeveloper, the County will execute an estoppel certificate to any third party certifying that Master Developer or a Subdeveloper, as the case may be, at that time is not in default of the terms of this Agreement.

17. **Headings.** The captions used in this ARMDA are for convenience only and are not intended to be substantive provisions or evidence of intent.

18. **No Third-Party Rights/No Joint Venture.** This ARMDA does not create a joint venture relationship, partnership or agency relationship between the County, and Master Developer. Further, the Parties do not intend this ARMDA to create any third-party beneficiary rights. The Parties acknowledge that this ARMDA refers to a private development and that the County has no interest in, responsibility for or duty to any third parties concerning any improvements to the Property unless the County has accepted the dedication of such improvements at which time all rights and responsibilities, except for warranty bond requirements under County's Vested Laws and as allowed by State law, for the dedicated public improvement shall be the County's.

19. **Assignability.** The rights and responsibilities of Master Developer under this ARMDA may be assigned in whole or in part by Master Developer with the consent of the County as provided herein.

19.1. **Sale of Lots.** Master Developer's selling or conveying lots in any approved Subdivision or Parcels to builders, users, or Subdevelopers, shall not be deemed to be an "assignment" subject to the above-referenced approval by the County unless specifically designated as such an assignment by Master Developer.

19.2. **Related Entity.** Master Developer's transfer of all or any part of the Property to any entity "related" to any Master Developer (as defined by regulations of the Internal Revenue Service), Master Developer's entry into a joint venture for the development of the Project or Master Developer's pledging of part or all of the Project as security for financing shall also not be deemed to be an "assignment" subject to the above-referenced approval by the County unless specifically designated as such an assignment by Master Developer. Master Developer shall give the County Notice of any event specified in this sub-section within ten (10) days after the event has occurred. Such Notice shall include providing the County with all necessary contact information for the newly responsible party.

19.3. **Notice.** Master Developer shall give Notice to the County of any proposed assignment and provide such information regarding the proposed assignee that the County may reasonably request in making the evaluation permitted under this Section. Such Notice shall include providing the County with all necessary contact information for the proposed assignee.

19.4. **Time for Objection.** Unless the County objects in writing within ten (10) business days of notice, the County shall be deemed to have approved of and consented to the assignment.

19.5. **Partial Assignment.** If any proposed assignment is for less than all of Master Developer's rights and responsibilities, then the assignee shall be responsible for the performance of each of the obligations contained in this ARMDA to which the assignee succeeds. Upon any such approved partial assignment, Master Developer shall be released from any future obligations as to those obligations which are assigned but shall remain responsible for the performance of any obligations that were not assigned.

19.6. **County Objection.** The County may only withhold its consent if the County is not reasonably satisfied of the assignee's financial ability to perform the obligations of Master Developer proposed to be assigned or there is an existing breach of a development obligation owed to the County by the proposed assignee or related entity that has not either been cured or in the process of being cured in a manner acceptable to the County. The County may also deny any proposed assignment if the proposed assignee has a documented record of failing to perform on any other development projects in the County or elsewhere.

19.7. **Dispute Resolution.** Any dispute regarding this section shall be resolved pursuant to the Dispute Resolution Processes.

19.8. **Assignees Bound by ARMDA.** Any assignee shall consent in writing to be bound by the assigned terms and conditions of this ARMDA as a condition precedent to the effectiveness of the assignment.

Except as otherwise stated in this ARMDA, such Subdevelopers and related parties shall be subject to the same obligations as Master Developer would be if the sale or conveyance had not occurred.

21. **No Waiver.** No waiver of any of the terms of this Agreement shall be valid unless in writing and expressly designated as such. Any forbearance or delay on the part of either party in enforcing any of its rights as set forth in this Agreement shall not be construed as a waiver of such right for such occurrence or any other occurrence. Any waiver by either party of any breach of any kind or character whatsoever by the other shall not be construed as a continuing waiver of, or consent to any subsequent breach of this Agreement.

22. **Further Documentation.** This ARMDA is entered into by the Parties with the recognition and anticipation that subsequent agreements implementing and carrying out the provisions of this ARMDA may be necessary. The Parties shall negotiate in good faith with respect to all such future agreements.

23. **Severability.** If any provision of this ARMDA is held by a court of competent jurisdiction to be invalid for any reason, the Parties consider and intend that this ARMDA shall be deemed amended to the extent necessary to make it consistent with such decision and the balance of this ARMDA shall remain in full force and affect.

24. **Force Majeure.** Any prevention, delay or stoppage of the performance of any obligation under this Agreement which is due to strikes, labor disputes, inability to obtain labor, materials, equipment or reasonable substitutes therefor; acts of nature, governmental restrictions, regulations or controls, judicial orders, enemy or hostile government actions, wars, civil commotions, fires or other casualties or other

causes beyond the reasonable control of the Party obligated to perform hereunder shall excuse performance of the obligation by that Party for a period equal to the duration of that prevention, delay or stoppage.

25. **Time is of the Essence.** Time is of the essence to this ARMDA, and every right or responsibility shall be performed within the times specified.

26. **Appointment of Representatives.** To further the commitment of the parties to cooperate in the implementation of this ARMDA, the County and Master Developer each shall designate and appoint a representative to act as a liaison between the County and its various departments and Master Developer. 28. **Mutual Drafting.** Each party has participated in negotiating and drafting this ARMDA and therefore no provision of this ARMDA shall be construed for or against either party based on which party drafted any particular portion of this ARMDA.

29. **Applicable Law.** This ARMDA is entered into in Weber County in the State of Utah and shall be construed in accordance with the laws of the State of Utah irrespective of Utah's choice of law rules.

30. **Venue.** Any action to enforce this ARMDA shall be brought only in the Second District Court for the State of Utah, Utah County.

For any conflict between Exhibits B – E and this ARMDA, this ARMDA shall prevail. For any conflict between Exhibits B – E and each other, the most restrictive for Master Developer shall apply. The Parties agree that the graphic depiction of the Project provided in Exhibits B – E are conceptual in nature designed to illustrate the general layout and configuration of the Project's streets, clusters of lots, trails, open spaces, and other amenities to which Master Developer shall be entitled. By nature of being conceptual, these exhibits may not show all specifics necessary for the Project to comply with all County's Vested Laws, which shall not be interpreted to be an exception to County's Vested Laws.

33. **Recordation and Running with the Land.** This ARMDA shall be recorded in the chain of title for the Property. This ARMDA shall be deemed to run with the land.

34. **Enforcement.** The Parties agree that a violation of this agreement constitutes a violation of the County's Vested Laws and the County shall have all enforcement remedies therein at its disposal; and that a violation of the County's Vested Laws constitutes a violation of this agreement and the County shall have all enforcement remedies herein at its disposal.

35. **Authority.** The Parties to this ARMDA each warrant that they have all of the necessary authority to execute this ARMDA. Specifically, on behalf of the County, the signature of the Commission Chair of the County is affixed to this ARMDA lawfully binding the County pursuant to Ordinance No. _____ adopted by the County Commission on March __, 2025.

Site Development Standards

[Let's talk about this. I don't see any real "setbacks" in the front of these and since they are not lotted out there wouldn't be any side yard setbacks. There would be distances between buildings and setbacks for side -adjacent streets.]

Sidewalks will be installed as shown on the Exhibit B site plan.

Non Residential Structures

The minimum lot area shall be 4,000 SF with a front setback of 15 feet, side setback of 7.5 feet, side facing a street setback of 7.5 feet, and, a rear setback of 20 feet.

Entry Monuments. Entry monuments shall be allowed in the approximate locations shown on the Master Plan, Exhibit "B" and shall conform to the look and dimensions show in the following illustration.
