Re: Sandhill Crane Subdivision  
Developer: Blake Wahlen

Eden Water Works has approved the above subdivision based on the revised plans dated 03-21-2016. Eden Water Works will need to be contacted prior to any construction of any of the water lines and will need to perform inspections during installation. A fee will be charged to the contractor or developer for these inspections.

If you have any questions or need further information you may contact me at 801-430-2695.

Sincerely,
