

# **IRON LUNG RIDE**

**July 19<sup>th</sup>, 2025**

This document contains the following information:  
Signal and Course Markings Plan

### **Signal and Course Markings Plan**

The full course will be fully marked with large signs. The purpose of the signs is to:

- 1) Indicate course directions to cyclists and support vehicles.
- 2) Make motorists and local residents aware of the race and encourage them to take extra caution.
- 3) Make cyclists aware of any upcoming hazards on the road.

No pavement marking or painting will occur to mark the course unless requested from permitting officials.

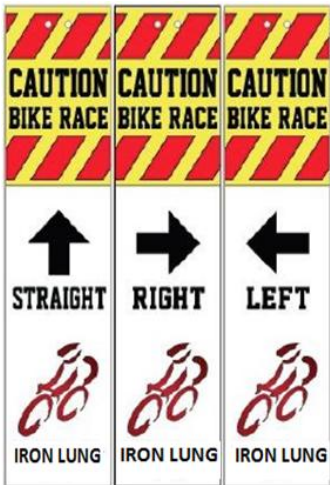

Course markings will be placed 24 hours or less before the event and will be taken down within hours of the last cyclists passing by.

Course markings will be placed in locations that do not interrupt normal traffic flow and are not intended to close roads or serve any other purpose than directing cyclists and warning others about the event.

Course markings will not use existing structures alongside the road or any private property. All markings will be fixed to orange vertical panel construction barriers supplied by the event staff.

The location of all signs is listed in the maps below. Additional signs may be used if needed to enhance clarity or safety of the course, or as requested by permitting officials, or to call attention to hazards or dangers.

Course signs are 8 inches wide and 36 inches tall and have the following images:

PP-Porta Potties

H2O-Water Stations

L-Left turns sign (pink-going out, black-coming in)

R-Right turns sign (pink-going out, black-coming in)
