

IRON LUNG RIDE

July 19th, 2025

This document contains the following information:
Volunteer Plan

Volunteer/Staff Plan

Volunteers and staff will be needed to ensure a safe and organized event. Volunteer and staff will be located as course marshals in areas where the course is not clear and where safety concerns exist.

There will also be staff and volunteers at each of the water stations/exchanges to allow for appropriate and safe exchange between cyclists and ensure that rules are followed and the event is not causing a nuisance to local residents. Exchange volunteers will have a copy of all relevant permits associated with the event.

Two EMT's will travel along the course with the bulk of the cyclist group. They will be ready to respond alongside local emergency personnel in the case of an injury.

Signal and Course Markings Plan

The full course will be fully marked with large signs. The purpose of the signs is to:

- 1) Indicate course directions to cyclists and support vehicles.
- 2) Make motorists and local residents aware of the race and encourage them to take extra caution.
- 3) Make cyclists aware of any upcoming hazards on the road.

No pavement marking or painting will occur to mark the course unless requested from permitting officials.

Course markings will be placed 24 hours or less before the event and will be taken down within hours of the last cyclists passing by.

Course markings will be placed in locations that do not interrupt normal traffic flow and are not intended to close roads or serve any other purpose than directing cyclists and warning others about the event.

Course markings will not use existing structures alongside the road or any private property. All markings will be fixed to orange vertical panel construction barriers supplied by the event staff.

The location of all signs is listed in the maps below. Additional signs may be used if needed to enhance clarity or safety of the course, or as requested by permitting officials, or to call attention to hazards or dangers.

Course signs are 8 inches wide and 36 inches tall and have the following images:

PP-Porta Potties

H2O-Water Stations

L-Left turns sign (pink-going out, black-coming in)

R-Right turns sign (pink-going out, black-coming in)
