RE: PRELIMINARY WILL SERVE LETTER – Willow Village Subdivision

The Willow Village subdivision is located at approximately 900 South and 4500 West and a total of 135 lots are proposed (21 Single Family, 114 Townhomes, and one commercial space). The subdivision is in the boundaries of the Hooper Irrigation Company service area. A formal application has been made to our office and an escrow for application has been paid.

The subdivision plat plan has been reviewed by Hooper Irrigation. The preliminary plans have been conditionally approved for the above subdivision phase. There are sufficient shares affiliated with the property to connect to the secondary pressurized system for the building lots and the shares are in good standing.

This subdivision only is in consideration and guaranteed service and the plan review are good only for a period of one year from the date of this letter, if not constructed. A final will serve letter will follow this letter after all plans have received final approval, fees have been paid, and water shares have been turned in to Hooper Irrigation.

Hooper Irrigation's specifications are available at the Company office.
