Guy, no need to meet in person. I believe we discussed ROW layout, and the need to get approval from UDOT, if this hasn't already been done. We discussed the need for your cup app to be approved prior to your final subdivision getting too far.

Feel free to use this email as your 'pre-application meeting notes'

Thanks,  
Tammy

I am submitting the Preliminary Application on this one on Frontier and it is asking for Preapplication Meeting Notes,

Tammy,

You and I spoke on the phone about this one a month ago, will that county for a Preapplication or do we need to sit down? When can we schedule this?

Thanks
