

Weber County

The Planning Division uses the County's development project portal, frontier.co.weber.ut.us, as the only means of accepting planning and development applications. Staff cannot accept paper or emailed applications.

Conditional Use Permit Requirements

- **Detailed Narrative of the Request**

The existing total containment lagoons are currently at capacity and are not equipped to accommodate significant growth. The district would like to construct a mechanical Water Reclamation Facility, capable of treating flows up to 0.42 MGD , accommodating growth for the next 10-years. The new facility will be at the same site as the existing lagoons.

- **Site Plan** - including existing and proposed contours and distances to property lines.

- See attached Site Layout

- **Water and Wastewater Plan**

- See attached Site Layout

- **Landscape Plan** - if applicable.

- See attached Rendering
