The subject parcel is a "Lot of Record" as defined in LUC §101-2-13, and as provided in paragraph (d) below:

- f) A parcel of real property that contains at least 100 acres; or*
- g) A parcel/lot that does not fall within any one of the previously listed circumstances but has received a variance from the Weber County Board of Adjustment which has otherwise deemed a particular parcel/lot as a lot of record; or*
- h) A reconfigured parcel or lot that met any one of (a) through (g) of this definition prior to its reconfiguration, as long as:*
 - 1. The reconfiguration did not make the parcel or lot more nonconforming;*
 - 2. No new lot or parcel was created; and*
 - 3. All affected property was outside of a platted subdivision.*

The Weber County Planning Division has reviewed the parcel as it exists today at the landowner's request. The Weber County Planning Division can issue a Land Use Permit to develop this parcel, as it exists today, provided that all applicable standards are met and that the parcel's legal description is not altered without receiving approval from the Land Use Authority.

Weber County

This letter addresses the legal status of the parcel and the findings provided are based upon the parcel's conformance with the Weber County Land Use Code as described above. The site has not been inspected to ensure that existing uses are allowed and existing structures meet required yard setbacks. These factors can affect a land owner's ability to obtain a Land Use Permit and Building Permit. There may also be additional requirements that need to be met prior to the issuance of future permits.
