No above ground fuel/gas tanks are allowed within Lots or on the Property other than 20lb propane gas grill tanks. Permanent structures or obstructions are prohibited within any PUE without prior written approval from the relevant utility providers and the Declarant. Utility providers have the right to install, maintain, and access underground utilities and surface facilities, and may require removal of any obstructions, such as structures or vegetation, at a Lot owner's expense. The Plat specifically identifies the location of an additional Recreation Easement. Master Developer may modify ski trails within the Ski Easement, including trails and improvements within the Recreation Easement, without amending this Plat as more fully described in the Master Declaration.
- 14. Declarant reserves for itself, its successors and assigns, and Master Developer, a temporary blanket easement across all Lots adjacent to a private road ("Slope Easement") as more fully described in the Master Declaration. Such Slope Easement is for the benefit of the Master Developer, its employees, and contractors, for the purpose of stabilizing, constructing cut slopes and fill slopes, and performing other construction and maintenance to prevent erosion along the private roads. No studies have been conducted to determine if any Lots are in avalanche zones. Certain Ski Resort areas may be subject to avalanche controls, potentially involving explosive charges and temporary closures. Declarant makes no representations as to Ski Resort operations or avalanche risks, and each owner should conduct independent studies before constructing any improvements on a Lot.
- 16. Declarant reserves for itself, its successors and assigns, Master Developer, and Community Association, a 10 foot snow storage easement ("Snow Storage Easement") extending beyond and parallel to Road Parcel A, and measured perpendicular from front property line 10 feet into each Lot. The area within this right-of-way along with the Snow Storage Easement will be utilized for storing snow ("Snow Storage Area"). No person shall move snow from a Lot or private property and deposit it into the Snow Storage Area. Each Lot owner must designate a private snow storage area within their Lot to accommodate snow removed from surfaces on their Lot.
- 17. All Lot owners are responsible for managing stormwater runoff on their individual Lot and within their property.
- 18. Parking is prohibited on any private roads and County roads.
- 19. These Plat Notes run with the Property and shall be binding upon and inure to the benefit of the successors and assigns of each Lot owner.
- 20. Owners and potential buyers are put on notice that owning property within the resort area ("Resort") involves risks such as property damage, personal injury, and death caused by resort activities, including skiing, snowboarding, mountain biking, heavy equipment use, snowmaking, construction, and natural conditions like snowfall, wind, and runoff. Snowmaking may result in artificial snow overspray impacting the Lots. Resort operations may generate noise, lights, and vibrations from avalanche control, grooming, lift operations, and maintenance, which may occur during early morning, evening, and late-night hours. Special events like concerts, fireworks, and markets may affect views and privacy. Passenger, commercial, and construction vehicles operate throughout the area, and avalanches or snow slides may cause damage or injury. By accepting a deed or interest in any Lot, the owner, successors, and assigns: (a) acknowledges, accepts, and assumes the risks of property damage, loss of property value, damage to improvements, personal injury, death, trespass, or nuisance caused by or arising from the hazards and risks identified in this note, and other risks associated with Resort operations (collectively, the "Assumed Risks"); and (b) releases, waives, discharges, and agrees not to sue the Resort owner, operator, and their respective officers, directors, partners, shareholders, members, affiliates, employees, contractors, consultants, agents, successors, and assigns for any damages, losses, costs (including attorneys' fees), claims, demands, suits, judgments, or liabilities arising from the Assumed Risks, except in cases of gross negligence or willful misconduct. This release is intended to be comprehensive, while complying with applicable law, and does not limit the liability of individual skiers, snowboarders, or other Resort users.
