Re: Will Serve Letter

To whom it may concern:

The Hooper Irrigation Pressurized Secondary Water System is available in this location. The construction of the pressurized water system to the proposed lots needs to meet Hooper Irrigation standards and specifications. The requirement for connecting to Secondary Water is a ½ share for each lot as well as a \$3,000 connection fee per lot.

Currently Hooper Irrigation Company can and will serve this subdivision with Pressurized Irrigation Water.

If you have any further questions please call the Company Office at (801)985-8429.

Sincerely,

Michelle Pinkston
Office Manager
