Re: Engineering Review

Below please find our response to engineering review comments posted August 11, 2011. Please note that our numbering reference system corresponds to your comment numbering system.

1. A deferral agreement has been requested for the installation of curb, gutter and sidewalk.
2. The developer has provided information concerning the location of the existing water and sewer laterals. The locations are shown on the attached exhibit. If easements are required, the plat will be revised to include them.
3. A Storm Water Activity Permit will be obtained prior to construction.
4. There is no new construction requested at this time.
5. There is no new construction requested at this time.

We appreciate your review and trust we have changed and/or clarified all of your comments referenced herein.

If you have any questions, or we can be of further assistance, please let us know.

Sincerely,
REEVE & ASSOCIATES, INC.
