Status: APPROVED

Specific Comments:

1. If there are any changes to the buildings or any new buildings, then these will be subject to a plan review and approval prior to any construction beginning.
2. Fire Hydrant(s): Access to hydrants shall not be blocked or hampered by the changes in landscaping and site access. Coordinate with the Fire Marshal's office if any hydrants are affected by the changes in landscaping.
3. Provide a temporary address marker at the building site during construction.
4. Fire Access roads to the property shall have a minimum clear width of 20 feet (face of curb to face of curb) and a vertical clearance of 13 foot 6 inches and shall be capable of supporting a 75,000 pound load.

Every effort has been made to provide a complete and thorough review of these plans. This review DOES NOT relieve the owner, contractor and/or developer from compliance with any and all applicable codes, and standards.

Any change or revision of this plan will render this review void and will require submittal of the new, or revised, layout for fire department review. If you have any questions, please contact me at 801-782-3580.
