Utah Area Baptist Association Camp
Attn: Scott Blank
7005 North Fork Road
Liberty, Utah 84310

The Utah Area Baptist Association Camp, Camp UTABA, has been a valued member of Liberty Pipeline Company for many years. The association has been mutually beneficial. The Camp UTABA Property at 7005 North Fork Road, Liberty, Utah currently has four (4) connections to Liberty Pipeline water and will continue to receive service from Liberty Pipeline Company.

At no time will Camp UTABA, contractor, plumber, or any other person use a "direct-connect" or "jumper" to gain access to Liberty water without fully satisfying all requirements. Such action constitutes theft and will be reported.

It is the understanding of Liberty that all water mains and laterals required to serve the Property have been constructed and dedicated to Liberty Pipeline. Liberty Pipeline will not install water mains or laterals to the Property nor will it install the service line from the water meter to the point of use.

The Property owner remains solely responsible for meeting Weber County requirements for fire hydrants and other fire protection measures.
