

September 24, 2013

Dear Ogden Valley Planning Commissioners,

We respectfully request the extension of our permit to continue the park and ride approval, in providing transportation for citizens that are coming to ski and enjoy the Powder Mountain Resort.

We are aware that this approval expires in October in 2013 and we wish to request a 2-year extension of that approval.

We appreciate your cooperation and we look forward to a successful ski year.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Mauro", written in a cursive style.
