FEE NOTICE:

Weber Fire District has various fees associated with plan reviews, and inspections. Please be prepared to make payments at the time of inspections or when you pick up your approved plans. Impact Fees are due prior to taking out a building permit. Make checks payable to: **Weber Fire District.**

REVIEW STATUS: APPROVED

SPECIFIC COMMENTS:

1. This review is for a new detached garage and the remodel of an existing home within the Wheeler Hollow Subdivision.
2. Fire Flow: Fire flow for the subdivision shall be 1000 GPM.
3. Fire Suppression Systems: *Weber Fire District strongly encourages the builder/owner to provide a fire suppression system to protect the lives and property of the occupants. These systems have been proven to provide effective lifesaving functions. This is not a requirement but a recommendation.*
For more information, please contact the Fire Prevention Division at 801-782-3580.
4. Provide a temporary address marker at the building site during construction.

Every effort has been made to provide a complete and thorough review of these plans. This review does not relieve the owner, contractor and/or developer from compliance with any and all applicable codes and standards. Any change or revision of this plan will render this review void and will require submittal of the new or revised layout for fire department review.
