RE: Capacity

Watts Enterprises
5200 South Highland Dr.
Ste 101 SLC, UT 84117

To whom it may concern:

This is official notice that Wolf Creek Water and Sewer Improvement District has the capacity to serve Water, Sewer and Irrigation for Trappers Phase 8 with a total of 18 lots. WCWSID has reviewed the plans and has approved them as presented by Galloway Engineering.

If you have any further questions or concerns please feel free to contact me at 801-430-4647

Thanks you,

A handwritten signature in black ink, appearing to read "Rob Thomas", is written over a vertical line that extends from the signature down to the typed name below.
