## Project Narrative

The original proposal for Design Review was to attach a 14'x30' old Hickory Shed to our existing Daylodge The Barn — Because Nordic Valley was late in the season submitting this proposal — See Rental Shop Expansion — The Nordic Valley Management (because of time) decided to for go the Rental Shop Expansion Project and use the 14' x 30' Old Hickory Shed for Ski and Snowboard Rental Storage. The Building 14' x 30' Old Hickory Shed will be moved to the East side of the Upper Parking area, approx 95' from the Barn & Yurt — See Building Permit Site Plan.
