Re: Secondary Water

To whom it may concern:

Hooper Irrigation provides the Secondary Service in this area and will be able to provide secondary water for this Subdivision. The property owner has sufficient shares of Hooper Irrigation Stock to connect to the secondary system. Hooper Irrigation Company will serve this parcel with Pressurized Irrigation Water when all plans have been approved by Hooper Irrigation representatives, water has been authorized to be turned in by the owner, and access fees have been paid.

If you have any further questions please call the Company Office at (801)985-8429.

Sincerely,

Michelle Pinkston
