Project Narrative

Snowbasin Resort is proposing to replace the existing Wildcat chairlift with a new 6-passenger detachable Doppelmayr chairlift. The existing fixed grip triple chairlift, originally constructed in 1973 will be removed and replaced with the new lift. The new bottom terminal will be approximately 120' to the north of the existing bottom terminal and the top terminal will be in the same location as the existing top terminal. There will be 17 towers associated with the new lift. The new lift will have a carrying capacity of 2400 people/hr. It will have a vertical rise of 1395 feet, a horizontal length of 4832 feet and a slope length of 5056 feet. The majority of the construction of the lift will be on land owned by the United States Forest Service and covered under Snowbasin Resort's Special Use Permit. The Weber County/Forest Service boundary is shown in the attached document.
