To Whom It May Concern:

RE: WILL SERVE LETTER – 3892 North 3175 West (Bayview Subdivision)

Bona Vista Water Improvement District does have culinary water available for the above project located at approximately 3892 North 3175 West consisting of 2 lots.

Bona Vista water supplies culinary drinking water for domestic use only. Proof of a secondary water source must be provided and annexation fees must be paid prior to applying for a residential connection. At this time, the fee for a 3/4" connection with a 3/4" x 5/8" meter is \$1,992.00 and annexation fees are \$1,000 per acre building lot.

Prior to occupancy, a residential application must be filled out and submitted to the District.

The owner or contractor will need to furnish all materials and labor to run the service line. The District will furnish and set the water meter. All materials and workmanship must be in accordance with the District's specifications which are available online at www.bonavistawater.com or in the office.
