#### **Purpose and Intent of Design Review**

The purpose and intent of design review by the Planning Commission is to secure the general purposes of this ordinance and the general plan and to insure that the general design, layout and appearance of buildings and structures and the development of property shall in no case be such as would impair the orderly and harmonious development of the neighborhood or impair investment in and occupation of the neighborhood.

#### **Approval Criteria**

The Planning Commission and/or the Planning Director shall consider the following matters under The Weber County Zoning Ordinance Chapter 36-4 and others when applicable, in their review of applications and where the plan is found deficient, the plan design shall be amended or conditions imposed to mitigate such deficiencies when considering:

- 1. Considerations relating to traffic safety and traffic congestion
- 2. Considerations relating to outdoor advertising
- 3. Considerations relating to landscaping
- 4. Considerations relating to buildings and site layout
- 5. Considerations relating to utility easements, drainage, and other engineering questions
