NARRATIVE

This Subdivision was requested by Mr. Brian Opheikens for the purpose of subdividing the existing ground to better accommodate future plans for the property. A Rebar was found at the Southeast Corner and brass Cap monuments were found at the East Quarter and South Quarter corner of Section 8, Township 6 North, Range 2 West, Salt Lake Base and Meridian, U.S. Survey. Positions for the Center of Section 8 were calculated into position from county records. The Northwest Quarter of the Southeast Quarter of said Section 8 was then calculated from these positions. Section Corners Not Found were calculated in from bisecting Section 8, Township 6 North, Range 2 West, Salt Lake Base and Meridian, U.S. Survey. A Record of Survey for Robert Penman Dated April 22, 2008 and filed November 24, 2008; and a Record of Survey for J. Andrew Penman Dated August 10, 1988 and filed August 04, 1989 were used as reference for this plat. A line bearing North 0°41'20" East between the Southeast Corner and East Quarter corner of Section 8 was used as the basis of bearings. Property corners were monumented as depicted on this drawing.
