Overview

This is a CHOOSE YOUR OWN EXCHANGE.

Teams are allowed to exchange the baton anywhere along the 1 mile stretch as indicated on the map.

Volunteers should be stationed along the road. The main concern is keeping vans from stopping at the beginning of the exchange. It is vital to keep the traffic flowing.

If back up starts to occur, force vans to pull further down the road before pulling over.

Overview Notes

CHUTE PLACEMENT	No Chute - exchange can happen anywhere along the 1 mile stretch
PARKING INSTRUCTIONS	Make sure traffic can at least flow one way
TRAFFIC CONCERNS	Traffic may become issue if vans are not pulling over entirely off the road. Make sure to immediately direct vans off the road if they're in the way of traffic
VAN/RUNNER FLOW	
PORT-A-POTTIE PLACEMENT	Toilets at the beginning and end of the exchange
