Attn: Justin Morris
Weber County Planning Division

The proposed structure to be located at 3071 S 3500 W, West Haven Utah will be used for personal use only. In no way shape or form is it going to be used for any type of business nor will it be used for any type of Commercial use or any businesses ran out of the building. The reasoning I am going with this type of building instead of a conventional building is due to the fact that it was more economically feasible and it also meets or exceeds all county building requirements. Given a 24 hour notice the County may come and inspect the proposed building. Any questions feel free to contact me at 801-710-9043 at any given time.

Sincerely
