**AGREEMENT AMENDING AND CLARIFYING THE WEBER COUNTY ZONING  
DEVELOPMENT AGREEMENT FOR THE WOLF CREEK RESORT**

RECITALS

WHEREAS, Weber County, Utah (the "County") and Wolf Creek Properties, L.C., a Utah limited liability company ("Original Developer"), entered into that certain Zoning Development Agreement dated October 11, 2002 and recorded on October 22, 2002 as Entry No. 1883524, in Book 2276, beginning at page 990 in the office of the Weber County Recorder (the "Development Agreement");

WHEREAS, the Development Agreement, among other things, allocates available density for the development of the Wolf Creek Resort located in the Eden area of the Ogden Valley located within the County (the "Resort");

WHEREAS, the actual allocation of density for the Resort is based on zoning classification and available acreage within the zones, and the actual placement of units within the over-all development of the Resort was left to the Original Developer to propose to the County, under the County's land use code; and

WHEREAS, the Resort has been partially developed with assigned density allocations as contemplated by the Development Agreement, but there remains undeveloped areas within the Resort that have not been developed and for which density allocations are available;

WHEREAS, the parties signing this Amendment with the County (the "Successor Developers") have succeeded to the interests of the Original Developer to that portion of the Resort that is legally described on Exhibit "A" attached to and incorporated by reference in this Amendment (the "Subject Property"); and

WHEREAS, the Successor Developers wish to amend and clarify certain provisions of the Development Agreement to reflect changes in the ownership of the Subject Property and to assign to each Successor Developer's portion of the Subject Property (each a "Developer Parcel") a portion of the remaining density entitlements for the Resort that can be supported by the zoning classification of each Developer Parcel but subject to the remaining unassigned density allocations that were available to the Original Developer under the terms of the Development Agreement; and

WHEREAS, the Ogden Valley Planning Commission, in a Public Hearing on December 2, 2014, received public comment on this proposal and unanimously recommended approval to the Weber County Commission.

**2. DENSITY ALLOCATIONS FOR SUBJECT PROPERTY**
