NOTICE OF DECISION

March 27, 2019

SMHG, LLC
c/o Don Guerra
Case No.: UVB060718

You are hereby notified that your subdivision application for final approval of Bobcat Ridge, a two phased 48 lot development located within the approved Powder Mountain Resort, was heard and received a positive recommendation by the Ogden Valley Planning Commission in a public meeting held on March 26, 2019, after due notice to the general public. The positive recommendation is subject to all applicable review agency requirements and the following conditions:

1. A geologist and geotechnical engineer are onsite during development to ensure that their recommendations are adhered to. A verification letter shall be provided by the engineering geologist prior to final approval stating that the design adequately meets the recommendations in the geologic report.
2. A "Natural Hazards Disclosure" document will be required to be recorded to provide adequate notice of any geotechnical and geological recommendations for future property owners.
3. A cost estimate for the subdivision improvements shall be and an escrow account set up prior to the subdivision being forwarded to the County Commission for final approval.
4. A draft copy of any CC&R's will be provided to the County for review by the applicable agencies prior to final approval.
5. A construct permit from the Utah State Department of Environmental Quality Division of Drinking Water for expansion of the water system and water lines serving the subdivision are required prior to the subdivision receiving final approval from the Planning Commission and County Commission.
6. A temporary turn around easement must located at the end of all temporary stubbed streets.

This recommendation is based on the following findings:

1. The proposed subdivision conforms to the Ogden Valley General Plan.
2. With the recommended conditions, the proposed subdivision complies with all previous approvals and the applicable County ordinances.
3. The proposed subdivision will not be detrimental to the public health, safety, or welfare.
4. The proposed subdivision will not deteriorate the environment of the general area so as to negatively impact surrounding properties and uses.
5. The proposed master planned development is in conformance with the approved Zoning Development Master Plan.

The next step in the process is to ensure complete compliance with the above listed conditions of approval. This letter is intended as a courtesy to document the status of your project. *The decision of the Planning Commission may be appealed to the County Commission by filing such appeal within 15 days after the date of the meeting.* If you have further questions, please contact me at rkippen@co.weber.us.ut or 801-399-8768.

Respectfully,
