NARRATIVE

The purpose of this survey was to amend and Lots 9, 11 & 12 Middle Fork Ranches Subdivision and set the property corners as shown and described hereon. The survey was ordered by Lance Froerer. The control used to establish the property corners was the Weber County and BLM Monumentation surrounding Section 6, T6N, R2E, SLB&M and the original old 1/2" Rebar located throughout the subdivision. It is my opinion that the subdivision boundaries located on the ground should be in harmony with those found old 1/2" rebar. The bearings on this plat are those as shown on the Middle Fork Ranches Plat. The basis of bearing is the West line of the Northwest Quarter of said Section which bears N 00°10'45" E Measured N 0°16'36" E Weber County Grid Bearing.
