Section VIII – Security & Safety

Public Safety Services:

The County, as part of an event approval, may impose conditions in order to protect public and private property, ensure the proper management of traffic, and reduce the possibility of a public safety resource shortage in the community.

The event organizer may request the use of the Weber County Sheriff's Office resources or the County may require the use of Sheriff's Office resources if the Special Event warrants a moderate to high level of police protection. A fee, in addition to the Special Event application fee, will be charged by the Sheriff's Office and the cost may be based on number of officers needed, type and quantity equipment required, event date, time, location, and length, anticipated traffic and weather conditions, estimated number of participants and spectators, and the nature, format, and configuration of the event.

The event organizer must contact the Weber County Sheriff's Office to coordinate the use of County resources and fees must be paid prior to the issuance of the special event permit.

For Weber County Sheriff's Office participation information visit, email, or call:

Weber County Sheriff's Office		Lieutenant Pledger

Section IX - Emergency Services

Fire Prevention Plan:

All events are required to submit a fire prevention plan and be available to coordinate the review of the plan with the Weber Fire District if necessary. An additional fee may be charged for fire prevention services and equipment provided by the Weber Fire District.

Please describe any possibility of igniting a fire and the event's plan for preventing, mitigating, and suppressing a fire:

No possibility of igniting fires. Snowbasin Ski Resort responsible for their facilities.

Emergency Medical Plan:

All events are required to submit an emergency medical plan and be available to coordinate the review of the plan with the Weber Fire District if necessary. An additional fee may be charged for medical services and equipment provided by the Weber Fire District.

The level of medical service that is available at an event is dependent upon the size and type of event. The minimum plan for providing medical services for small events, with a low medical risk, may be the designation of an event staff member who can call 9-1-1 and is certified in CPR. Events that are larger and/or have a higher medical risk may be required to provide more services such as paramedic, ambulance, advanced life support, and on-site physician.

It is responsibility of the event organizer to ensure that all medical support personnel, whether paid or volunteer, are familiar with the Utah Health Code and have the appropriate licensing, certifications, and insurance to provide services at a Special Event.

Emergency medical plans should include but are not limited to:

- Name, contact number, and certification type/level for all medical services providers.
- Description of communication type/method.
- Description or illustration (on Special Event site plan/map) of first aid and/or other medical service or staging locations.
- Description or illustration (on Special Event site plan/map) of medical evacuation strategies and/or staging locations.

Please describe any likely medical condition(s) that can result from the event and describe the event's plan for prevention, treating conditions/providing medical services, and evacuation:

Medical team provided by McKay Dee headed up by Eric Hartman. 10 person staff at Snowbasin

Ski resort for finishers. Snowbasin Ski / Medic Patrol for all trail / off road racing needs.
