Applicable Ordinances

- Weber County LUC Title 104, Chapter 29 - Ogden Valley Destination and Recreation Resort Zone (DRR-1) Zone
- Weber County LUC Title 108, Chapter 1 - Design Review
- Weber County LUC Title 108, Chapter 2 - Ogden Valley Architectural, Landscape and Screening Design Standards

Summary and Background

The applicant is requesting an administrative design review approval of a remodel of a storage bay within the existing ski patrol facility and the installation of an enclosure on the mail level to provide space for a new outpatient clinic associated with the existing skiing operation at Snow Basin. The project area is approximately 850 square feet. No additional square footage will be added to the existing ski patrol facility, and no additional parking will be required.

Analysis

Design Review: The DRR-1 Zone requires a design review (as outlined in LUC §108-1) to ensure that the general design, layout, and appearance of commercial sites and buildings is orderly and harmonious with the surrounding neighborhood. LUC §108-1-2 states that design review applications for buildings in the DRR-1 zone with a footprint of less than 75,000 square feet may be reviewed and approved by the Planning Director.

As part of a design review, the Planning Director shall consider applicable codes and impose conditions that mitigate deficiencies if necessary. Consideration is given to the following:

- *Traffic safety and traffic congestion:*
 - The proposal is not anticipated to increase traffic or to cause any traffic safety hazards. The applicant anticipates 3 groups of 6 people to use the yurt and is proposing one parking stall per person. The parking area and yurt are approximately 60 feet from Summit Pass Road.

- *Outdoor advertising:*
 - The proposal will not include any outdoor advertising.
- *Landscaping:*
 - The site maintains the landscaping requirements outlined in LUC §108-2-5 through existing natural landscaping.
- *Building and site layout:*
 - The site plan shows that the project area is within an existing building footprint and is compliant with the following zoning site development standards:
 - Minimum lot area: None;
 - Minimum lot width: None;
 - Minimum front yard setback: None
 - Minimum side yard setback: None;
 - Minimum rear yard setback: None

The proposal is located adjacent to the mountain operations and maintenance building, near the John Paul Chairlift, well off of Snow Basin Road.
- *Utility easements, drainage, and other engineering questions:*
 - The proposal must meet all review agency requirements, including the requirements outlined in the Engineering Division's review.
- *Prior development concept plan approvals associated with any rezoning agreement, planned commercial or manufacturing rezoning, or planned residential unit development approval:*
 - The proposal complies with the approved Powder Mountain Master Plan and the applicable zoning development agreement.

Conformance to the General Plan

The proposal conforms to the Ogden Valley General Plan by continuing commercial development within existing resort areas (pg. 25 Ogden Valley General Plan, Commercial Development Goal 1).

Staff Recommendation

The Planning Division recommends approval of file# DR 2019-06, subject to all review agency requirements and the following conditions:

1. Any proposed lighting must comply with the Ogden Valley Lighting requirements, as outlined in LUC§ 108-16.
2. Any proposed signage must comply with the Ogden Valley Sign Ordinance in LUC § 110-2.

The recommendation for approval is based on the following findings:

1. The proposal complies with applicable County codes.
2. The proposed project complies with the applicable Zoning Development Agreement and approved Powder Mountain Master Plan.
3. The proposed project conforms to the Ogden Valley General Plan.

Administrative Approval

Administrative approval of DR 2019-06 is granted based upon its compliance with the Weber County Land Use Code. This approval is subject to the requirements of applicable review agencies and the conditions of approval listed in this staff report.

Date of Administrative Approval: 5/28/19

 Rick Grover
 Weber County Planning Director
