Planning and Development,

Powder River Development Services is representing American Tower Corporation (ATC) regarding the T-Mobile modification project on an existing wireless communication facility in Weber County, referenced above.

The scope of work of this project consists of: At antenna level, remove (3) antennas and install (3) antennas, (3) RRU and (1) Hybrid cable. At ground level, remove (1) DUS41 and (3) RRUS11 B12. There will be no expansion to the existing tower height and there will be no expansion to the existing compound.

Attached is the Weber County Conditional Use Permit Application, application fee and (1) construction drawings.

Upon approval of our application please email me (Janet.Keller@powderriverdev.com) a copy of the approval and provide instructions on the building permit process.

If you have any questions or need more information, please don't hesitate to ask.

Respectfully,

Janet Keller
