**Submittal Requirements:** (Check all that apply)

**Parcel Information:** Check one

- Lot of Record
- Lot within an approved subdivision meeting the applicable notes on the plat

**Site plan with required information demonstrated on the site plan as outlined on the Submittal Checklist:**

• **Site Access:** Check One

- Across own front property line
- Flag lot approval date: \_\_\_\_\_
- Alternative Access approval date: \_\_\_\_\_

• **Setback Requirements:** Check all that apply

- Meets setbacks per ordinance:  
Front: \_\_\_\_\_ Side: \_\_\_\_\_ Rear: \_\_\_\_\_ Side Street: \_\_\_\_\_

- Meets additional setbacks per outlined "Site Restrictions"

• **Large Accessory Building:**

- Located in the front or side of main dwelling with conforming architectural style and material as main building.
- Located behind dwelling

• **Height Requirements:** Check one

- Meets height requirements per Weber County Land Use Code
- Height Variance approval date: \_\_\_\_\_

**Site Restrictions:** Check all that apply

- FEMA Flood Zone \_\_\_\_\_
- Buildable area recorded on the plat
- Lot identified as a "R" (restricted lot)
- Areas of slope greater than 25%
- Geologic Study Area
- Site Elevation below 4,218
- Wetlands as identified by the USGS

• **Western Weber Stream Corridor:**

- Year-Round stream; or
- Ephemeral stream

• **Ogden Valley Sensitive Lands:**

- Scenic Corridor
- Ridgeline
- Historic/Prehistoric and/or Cultural Resources

• **Ogden Valley Stream corridor setbacks:**

- North Fork, South Fork & Middle Fork of the Ogden River:  
100' setback from high water mark
- Year Round: 75' setback from high water mark
- Ephemeral: 50' setback from high water mark

**The following submittal items are considered required items and shall be submitted with the building permit application. Incomplete applications will not be accepted or held.**

• **Geology:**

- Geologic Unit: \_\_\_\_\_ as determined by Weber County staff member: \_\_\_\_\_
- Geologic site reconnaissance required? Yes  No
- If yes, Geologic site reconnaissance clearing the lot for development will be required to be submitted or if an engineering geologist deems additional studies are necessary, the final geotechnical and geologic reports will be required to be stamped, signed and dated by an approved Utah State Engineering Geologist and Geotechnical Engineer.

• **Two complete and identical sets of the plans with scale including the following information:**

- Site Plan including existing site contours and lot/parcel boundary lines
- Building elevations (renderings) reflecting natural grade
- Structure Footing/Foundation plan including all decks/porches/covered patios
- Floor plans (all levels)
- Section/Details
- Structural calculations from the Engineer of record
- Energy Conservation Compliance Method (REScheck or other method)
- SWPPP Storm Water Pollution Prevention Plan (State/Local)
- Receipt for payment of Fire District Impact Fee
- All engineered, architectural and site plans are to be combined into one PDF file format to scale

• **The following items will not be required at the initial submittal stage; however these items will be required to be submitted to our office prior to the issuance of the building permit:**

- Proof of approved wastewater disposal system
- Proof of approved culinary water system

**Signature of Property Owner or Authorized Representative**

I (We), Pamela Russell, depose and say that I (we) am (are) the owner(s) or authorized representative of the property identified in this application and that the statements herein contained, the information provided in the attached plans and other exhibits are in all respects true and correct to the best of my (our) knowledge.

\_\_\_\_\_  
Signature of Property Owner

Or  
  
Signature of Authorized Representative

This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. I hereby certify that I have read and examined this application and know the same to true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not the granting of a permit dose not presume to give authority to violate or cancel the provisions of any State or local law regulating construction or the performance of construction and I make this statement under penalty of perjury.
