

Interlocal Agreement Exhibit

We have met with Josh Runhaar, Cache County Planning Director, and Robert Scott to discuss and coordinate the process for an interlocal agreement.

Subject: Cache County Interlocal Agreement

Russ and Eric,

Yesterday I got an e-mail from Josh Runhaar from Cache County. He has discussed the idea of an interlocal agreement with their attorneys and they seem to like the idea. The next step is that they will discuss this idea with their elected officials. Once he has done this he will be in touch with us. We will keep you posted.
