To Whom It May Concern:

This is to inform you that Final approval of the Summerset Farms subdivision is accepted by Taylor West Weber Water. The water lines have been installed and tested. The water services have been completed to a point that building permits may be issued. Blow off assemblies have also been completed to a point that building permits may be issued. Before meters are set the proper lids must be installed and the blow off assemblies must be completed to Taylor Weber Water Standards. The valves boxes must be raised and collared after asphalt is installed as well. **BEFORE ALL ESCROW FUNDS ARE RELEASED TAYLOR WEST WEBER WATER WILL DO A FINAL INSPECTION** and verify all items meet the district standards.

Sincerely,  _____
