To provide adequate review time, please submit all Special Event applications at least forty-five (45) days prior to the event, and/or setup date if applicable. Late applications may not be approved.

Depending on the needs and characteristics of a Special Event, additional fees may be charged by the Weber County Sheriff's Office, Weber Fire District, Weber-Morgan Health Department, County Parks & Recreation, and/or any other County agencies that provide services, equipment, or facilities. If additional fees are necessary, they will be specified during the Special Event permit application process. If the use of County services, equipment, or facilities require the execution of an agreement or contract, the event organizer must contact the appropriate County agency to make arrangements early. All (additional) fees must be paid directly to the applicable agency prior to any Special Event being approved.

### **Application Review Process and Tracking:**

The Special Event application review process will begin when the event organizer submits a complete Special Event Application Form, site plan/map, insurance certificate, required plans, and a non-refundable application fee. Upon acceptance of the application, the County Special Event Coordinator (SEC) will become your primary contact person. In addition to being able to work directly with the SEC and the individual review agencies, you'll be given instruction on how to create an account and follow your Special Event review process on the County's project tracking system known as Miradi. You may be contacted directly by the review agencies or be notified, through Miradi, if your Special Event application needs to be supplemented with additional information. It is important that you "follow" your Special Event review process in Miradi and respond to review comments that are made. You will not respond through Miradi, but will respond directly to the review agency or provide the necessary information to the SEC so that the information can be uploaded into the Miradi system.

Please be aware that, in cases where your Special Event could affect Federal or State property/facilities, you'll be asked to contact the applicable agency (e.g., U.S. Forestry, U.D.O.T, etc.) and provide proof that the agency is aware of the event or approves of the event.

### **Non-refundable Application Fee:**

The application fee is \$345.00 for a large Special Event (over 200 people) and \$290.00 for a small Special Event (200 or less people). See Weber County Code Section 38-1-7(d) for fee exemption information. You may access fee exemption information at: [https://library.municode.com/ut/weber\\_county/codes/code\\_of\\_ordinances?nodeId=PTICOR\\_TIT38SPEV\\_S38-1-7SAEE](https://library.municode.com/ut/weber_county/codes/code_of_ordinances?nodeId=PTICOR_TIT38SPEV_S38-1-7SAEE)

Please keep in mind that acceptance of a Special Event application does not constitute an approval of the event.

### **Cancellation Policy:**

If an event must be cancelled, the event organizer must contact the SEC and provide written notice so that the cancellation information can be distributed and uploaded to Miradi. The event organizer must also directly contact all agencies that are providing services, equipment, and/or facilities.

Only those authorized and acting as the event organizer will be able to make changes to the application or cancel an event.

The minimum plan for providing medical services for small events, with a low medical risk, may be the designation of an event staff member who can call 9-1-1 and is certified in CPR. Events that are larger and/or have a higher medical risk may be required to provide more services such as paramedic, ambulance, advanced life support, and on-site physician.

We have course marshals on course (about 12 through out the 4-6 mile loop) that have high grade Motorola radios. We have 2 roving marshals at all times. Medical tent with privacy walls if needed. We hire local EMTs or utilize resorts OES certified ski patrollers. We have 2 medical first responders on bikes to get to racers in need quickly. First Aid tent, we have a Medical Coordinator that works with the chief course marshal and the EMTs to get proper information and location of an injured rider and may need to take care of them. We also have 1-2 volunteers that assist with basic first aid for minor scrapes.
