NOTICE OF TIME EXTENSION APPROVAL

July 31, 2020

SMHG, LLC
c/o Don Guerra

This letter serves as the one-time extension for final approval of Overlook at Powder Mountain Phase 3. A onetime extension of the proposal is permitted, as outlined in the Weber County Land Use Code (§106-1-7). The subdivision application will expire on August 27th, 2021 if the subdivision has not been recorded by that date.

**RE: Extension Request for plat recording
 Overlook at Powder Mountain Phase 3**

Mr. Grover-

It has been our pleasure working with your department on this project. I am writing this letter as the authorized agent for this project on behalf of the developer, SMHG PMDP Phase II LLC. The Overlook at Powder Mountain was approved by the Planning Commission as a 3-phased subdivision on April 26, 2019 (notice of decision attached). Phases 1 and 2 were presented to the County Commission on July 23, 2019 and both plats were recorded on August 27, 2019. The subdivision improvements for these two phases began shortly after and are still underway to be completed by this fall. There will not be time this year to start on Phase 3 so we are requesting a 1-year extension on the deadline to record the Overlook at Powder Mountain Phase 3 so that the new deadline is August 27, 2021.

We are prepared to pay the \$225.00 extension fee via credit card over the phone as soon as this letter is received. Please let me know if there is any further information needed in order to grant the extension.

Thank you for all of your continued support with the development at Powder Mountain.

Sincerely,

Rick Everson

NOTICE OF DECISION

April 26, 2019

SMHG, LLC
c/o Don Guerra
Case No.: UVO050118

You are hereby notified that your subdivision application for final approval of Overlook, a three-phased 57 lot development located within the approved Powder Mountain Resort, was heard and received a positive recommendation by the Ogden Valley Planning Commission in a public meeting held on April 23, 2019, after due notice to the general public. The positive recommendation is subject to all applicable review agency requirements and the following conditions:

1. A geologist and geotechnical engineer are onsite during development to ensure that their recommendations are adhered to. A verification letter shall be provided by the engineering geologist prior to final approval stating that the design adequately meets the recommendations in the geologic report.
2. A "Natural Hazards Disclosure" document will be required to be recorded to provide adequate notice of any geotechnical and geological recommendations for future property owners.
3. A cost estimate for the subdivision improvements shall be and an escrow account set up prior to the subdivision being forwarded to the County Commission for final approval.
4. A draft copy of any CC&R's will be provided to the County for review by the applicable agencies prior to final approval.
5. A construct permit from the Utah State Department of Environmental Quality Division of Drinking Water for expansion of the water system and water lines serving the subdivision are required prior to the subdivision receiving final approval from the Planning Commission and County Commission.
6. A temporary turn around easement must located at the end of all temporary stubbed streets.

This recommendation is based on the following findings:

1. The proposed subdivision conforms to the Ogden Valley General Plan.
2. With the recommended conditions, the proposed subdivision complies with all previous approvals and the applicable County ordinances.
3. The proposed subdivision will not be detrimental to the public health, safety, or welfare.
4. The proposed subdivision will not deteriorate the environment of the general area so as to negatively impact surrounding properties and uses.
5. The proposed master planned development is in conformance with the approved Zoning Development Master Plan.

The next step in the process is to ensure complete compliance with the above listed conditions of approval. This letter is intended as a courtesy to document the status of your project. *The decision of the Planning Commission may be appealed to the County Commission by filing such appeal within 15 days after the date of the meeting.* If you have further questions, please contact me at rkippen@co.weber.us.ut or 801-399-8768.

Respectfully,

Ronda Kippen
