Domestic sole-supply total: 1 EDUs for a group total of: 1 EDUs

Proposed General Comments:

Contract Date: 2020/07/13

Description: Liberty

I'm planning to build a home on this property. I have completed the variance for septic for a steep slope. I am now working on the other steps to complete the subdivision process. I own the 2 parcels west of the subject property as well, and subdividing those parcels. There is not currently plans to put residences on those two parcels. The subdivision process requires that I obtain a letter from the state water rights that describes water may be obtained.
