Subject: Secondary Water Service

Date: Thu, 25 Apr 2013 16:24:15 -0600

To whom it may concern,

Weber Basin Water Conservancy District has reviewed the Preliminary Plat detailing the proposed division of parcel 07-084-0005 into two separate parcels. The District takes no issue with the subdivision of the parcel and will provide secondary water to both the newly formed parcels. The existing allocation of 3 acre-feet of water which was allocated to parcel 07-084-0005 will be split based off of the percentage of irrigable land of the respective newly formed parcels.

Regards,

Jonathan Parry, P.E.
