

Notice of Ordinance Adoption

Notice is hereby given that on March 23, 2021, the Weber County Commission approved Ordinance #2021-06 repealing the County's planned residential unit development (PRUD) ordinance, and adopting a new master planned development (MPD) overlay zone in its place. The ordinance also merges agricultural zoning districts into one chapter, using one land use table, and offers administrative and clerical edits to facilitate these changes. The vote was unanimous. The full ordinance can be reviewed in the office of the County Clerk.
