RE: AVAILABILITY LETTER FOR: BayView Ranchettes

This development is located at approximately 3948 North 2975 West and consists of 2 lot. The Bona Vista Water District does have culinary water available for this development.

Please note:

- A \$150.00 minor subdivision review fee is applicable.
- A letter from the Fire Department stating that a flow test is not required will need to be provided to the District as soon as possible.
- Proof of secondary water for outside use will need to be provided prior to requesting a connection.
- A culinary water connection for domestic purposes only is available. The fee at this time for a standard residential connection is \$2,433.60.
- The owner or contractor will need to furnish all materials and labor to run the service line. The District will furnish and set the water meter. All materials and workmanship must be in accordance with the Water District's specifications which are made available in our office.
- A residential water connection agreement form must be filled out, and all fees must be paid before culinary water service will be made available.
