## **Section VIII – Security & Safety**

### **Public Safety Services:**

The County, as part of an event approval, may impose conditions in order to protect public and private property, ensure the proper management of traffic, and reduce the possibility of a public safety resource shortage in the community.

The event organizer may request the use of the Weber County Sheriff's Office resources or the County may require the use of Sheriff's Office resources if the Special Event warrants a moderate to high level of police protection. A fee, in addition to the Special Event application fee, will be charged by the Sheriff's Office and the cost may be based on number of officers needed, type and quantity equipment required, event date, time, location, and length, anticipated traffic and weather conditions, estimated number of participants and spectators, and the nature, format, and configuration of the event.

The event organizer must contact the Weber County Sheriff's Office to coordinate the use of County resources and fees must be paid prior to the issuance of the special event permit.

For Weber County Sheriff's Office participation information visit, email, or call:

### **Emergency Medical Plan:**

All events are required to submit an emergency medical plan and be available to coordinate the review of the plan with the Weber Fire District if necessary. An additional fee may be charged for medical services and equipment provided by the Weber Fire District.

The level of medical service that is available at an event is dependent upon the size and type of event. The minimum plan for providing medical services for small events, with a low medical risk, may be the designation of an event staff member who can call 9-1-1 and is certified in CPR. Events that are larger and/or have a higher medical risk may be required to provide more services such as paramedic, ambulance, advanced life support, and on-site physician.

It is responsibility of the event organizer to ensure that all medical support personnel, whether paid or volunteer, are familiar with the Utah Health Code and have the appropriate licensing, certifications, and insurance to provide services at a Special Event.

Emergency medical plans should include but are not limited to:

- Name, contact number, and certification type/level for all medical services providers.
- Description of communication type/method.
- Description or illustration (on Special Event site plan/map) of first aid and/or other medical service or staging locations.
- Description or illustration (on Special Event site plan/map) of medical evacuation strategies and/or staging locations.

Please describe any likely medical condition(s) that can result from the event and describe the event's plan for prevention, treating conditions/providing medical services, and evacuation:

2 medical teams are present;

McKay Dee Hospital Sports Medicine provides approx 10 man medical crew stationed at Port Ramp Marina and Finish area at Snowbasin Ski Resort - Melissa Call is coordinator

Snowbasin Ski / Medic Patrol assigned to all off road race course on the mountain - Scott Feters is coordinator

**NOTE: To assist in determining the appropriate level of medical services for an event, please refer to the table on page 14.**
