NARRATIVE

This Subdivision Plat was requested by Mr. Brad Blanch for the purpose of creating twelve (12) residential Lots and five (5) Open Space Parcels.

Brass Cap Monuments were found at the Northeast Corner of Section 21 and the North Quarter Corner of Section 20, T6N, R2W, SLB&M. A line bearing North 89°05'07" West between these two monuments was used as the Basis of Bearings.

The Northerly, Easterly and Southerly Boundary Lines were recreated by following the surrounding deeds. The Westerly Boundary Line was recreated by honoring the Centerline of 4300 West Street, which was Established along the Section Line. A survey prepared by Weber County and Filed as ROS #6824 was reviewed and also uses the section line as the centerline of the Street.

Property Corners were monumented as depicted on this plat.

If Curb and Gutter is installed, Rivets will be set in the Top Back of Curb on the extension of the Property Line.

If Curb and Gutter is deferred, the front Property Corners will be required to have Rebar and Cap set.
