Shaun Rose

Weber County Surveyor's Office

I have made the following corrections on the plat for Blaine A. Hadley Subdivision:

1. Removed the plotting guideline around the plat
2. Removed the contour lines and associated reverence in the Legend
3. Added the width of the Hooper Canal adjacent to the East boundary
4. Added "Weber County, Utah" to the title block at the top of the page
5. Added road width dimension to 4300 West along North boundary
6. Corrected overlapping text in Legend

Thank you for your assistance in getting this plat completed!

Bob
