

On behalf of Old Hickory Sheds, LLC, we would like to thank you for purchasing or renting to own one of our buildings. We hope you enjoy your building for many years to come.

If the building is on the sales lot, it should usually be delivered within the next 5 weekdays, weather permitting. If it is a special order it should usually be delivered within the next 10-15 days, weather permitting. Please give the delivery person 3 days to call if your building is on the lot, and 10 days to call if the building is a special order. In the unlikely event that your driver has not called within this amount of time, feel free to call them at the number below. If you do not receive a return call from the delivery person within 24 hours, please call our office.

NOTICE: Due to unprecedented demand and material shortages in the portable building industry, inventory levels are low and order lead-times have increased from the times stated above.

** Peak season and poor weather conditions can add extra days on to the normal delivery time. Painted buildings and custom metal colors take a week longer. Please see brochure for details.*
