1. If present show evidence of occupation: fencing, significant landscaping, walls, etc.
2. Please make a note or show how the lots will be monumented/marked, since the lot corners will fall within the access easement.
3. The access easements and lots need to have addresses associated with them for emergency services. This can be shown by putting the entire address within the lots or a table or as usual. Please make it clear that it is not a road but also clear what the address is. See attached address review for assigned addresses.
