Request: 8192032

Dear Hayden Wadsworth:

As you requested, Rocky Mountain Power hereby consents to a proposed encroachment of the utility easement on the northwest side of the property at or near 5448 W 560 N, Ogden, Utah.

However, this consent does not waive or relinquish any rights necessary to the operation, maintenance, renewal, construction, repair, addition, or removal of Power Company lines, conduit, or other power facilities, which are or may be located on said easement.

As consideration for the Power Company granting you permission to encroach upon said easement, it will be necessary for you to hold the Power Company harmless from all claims for personal injuries or damages to property when such injuries or damages, directly or indirectly, arise out of the existence, construction, installation maintenance, condition, use or presence of your structures upon said easement. Rocky Mountain Power shall not be responsible for any damages to structures or property located on said easement.

Please acknowledge the receipt of this letter and your consent to the aforementioned terms by returning an executed copy of this letter to me.

Sincerely,

Craig Garner
