RE: FINAL WILL SERVE LETTER – Taylor Landing Subdivision, Phase 3

Phase 3 of the development is located at approximately 2100 South and 4100 W and consists of 35 lots.

Hooper Irrigation Company has pressure irrigation water available for the above project located at the above address. Hooper Irrigation will provide secondary pressurized water at the time occupancy begins for the residential lots

This letter states that the above project is in the boundaries of Hooper Irrigation Company. A formal application has been made to our office and the fee for application as well as the plan review and lot review fees have been paid. There were an adequate number of water shares surrendered for the development water use and the access fees to the Secondary System have been paid.

The subdivision utility plans have been reviewed by Hooper Irrigation and changes, if any, have been made and corrected. The plans have been approved for the above subdivision. Hooper Irrigation is willing and able to take responsibility for the installed lines. Only this project is in consideration and guaranteed service and the plan review is good only for a period of one year from the date of this letter, if not constructed.

Hooper Irrigation's specifications are available at the company office. If you have any questions, please call the office at (801)985-8429

Sincerely,

Michelle Pinkston
Office Manager
Board Secretary
