**TERAKEE FARMS PRUD PHASE NO. 2 SUBDIVISION, PRESSURIZED SECONDARY WATER WILL SERVE LETTER**

This letter is to notify Weber County that Terakee Farms, Inc., a Utah Corporation, has been organized under the laws of the State of Utah to manage Terakee PRUD open space, agricultural parcels, private right of ways, and secondary water shares and related systems. Pursuant to Terakee Farms Corporate Bylaws Marriott-Slaterville secondary water design standards have been duly adopted.

Terakee Farms, Inc. will provide pressurized secondary water services to residential lots, open space and agricultural parcels known as Terakee Farms PRUD Phase No. 2 Subdivision consisting of forty (40) residential lots, a central park and agricultural parcels. Preliminary plat and improvement drawings are being provided by Great Basin Engineering of South Ogden, Utah. Terakee Farms, Inc. has sufficient water rights for this Subdivision. A Secondary Water Notice will be recorded with the Phase No. 2 Plat showing the maximum amount of pressurized secondary water available to each residential lot.

Sincerely,

Brad Blanch
