SPECIFIC COMMENTS:

1. It is understood that this plat represents line adjustments for recording purposes. If any new construction, changes to access or changes to existing infrastructure are to be done, then a new document showing these items must be submitted for approval. This approval is only for the recording of corrected lines and is not intended to give approval of any future construction on any of the lots shown.

Every effort has been made to provide a complete and thorough review of these plans. This review does not relieve the owner, contractor and/or developer from compliance with any and all applicable codes and standards. Any change or revision of this plan will render this review void and will require submittal of the new or revised layout for fire department review.
