Heather,

Attached is a pdf copy the updated "Spence Ferrin Subdivision" plat.

Addressing the County Review Comments, I submit the following response:

Item 1 - By Developer

Item 2 - I have shown a 15' wide easement centered along the existing ditch that is near the southwesterly side of the property and an easement along the westerly side of the river.

Item 3 - Perc data and test pit shown

Item 4 - Note removed

Item 5 - Changed Easement "B" to an "Ingress, Egress and Public Utility Easement".

Item 6 - Removed

Item 7 - By Developer

Once the County Engineering and Planning give their approval, I will plot the mylar and deliver to Bruce Evans.

Let me know if you have any questions.

Respectfully;

K. Greg Hansen, Pres., P.L.S.
